

Reliable Summer Scouts Needed for Checking Local Cotton, Grain and Peanut Fields

Texas Pest Management Association (TPMA), in Levelland, seeks a summer employee to scout cotton, grain and peanut fields in Cochran, Hockley and Lamb Counties. These persons will be under direct supervision of Kerry Siders, Extension Agent – Integrated Pest Management (IPM) with Texas A&M AgriLife Extension.

Candidates should have a valid driver's license, proof of vehicle insurance, and provide own transportation. Agriculture experience is preferred, but not required. This is an outdoor position, working in field crop conditions.

These positions are available May1 through August 28, 2016. Consideration will be given to students ending and beginning school semesters. Work hours are 8 a.m. to 5 p.m. Monday through Friday. The position starts at \$9/hour and is based on experience. Reimbursement for mileage is \$0.54/mile.

The Texas Pest Management Association is a grower group which employees scouts to gather crop pest information to assist both participating producers and the Extension Agent – IPM in pest management decision making, and information to alert all area producers of pest situations.

TPMA is an equal-opportunity employer.

If you wish to apply or have questions, please contact Kerry Siders, Extension Agent – IPM at 806 894-3150 or 806 638-5635.
